"The Experts in the Game and Business of Golf"

GOT TIME ON YOUR HANDS AND LOVE GOLF? BECOME A NEBRASKA GOLF ASSOCIATION VOLUNTEER!

Because it administers nearly 60 days of competition and conducts over 25 Course Ratings each year, the NGA is always looking for good volunteers. Whether it's the starter on the first tee, an official in the scoring tent or a course rating team leader - every organized event and rating needs great volunteers.

Currently we have three categories of NGA volunteers: rules officials, tournament volunteers and course rating volunteers.

Rules Officials provide on-course assistance to tournament players with regards to the Rules of Golf and pace of play. Rules officials are given assignments by the NGA based on their knowledge of the Rules of Golf and their experience in officiating. To assist officials the NGA offers numerous educational opportunities and necessary training.

Tournament Volunteers assist in activities that don't require extensive training such as: on-course scoring, registration, pace of play check-point monitors, scoring assistants, starters, spotters, and standard bearers.

Course Rating Volunteers assist the NGA in rating over 25 golf courses per year. This program is vitally important to the integrity of the USGA Handicap System since the entire system revolves around accurate USGA Course and Slope Ratings. Individuals who would like to serve as a course rater receive training before becoming part of a rating team. Successful course raters are analytical by nature and enjoy working with numbers.

For further information on becoming an NGA volunteer please call the NGA office, at (402) 505-4653 or e-mail Gary Austin at gaustin@nebgolf.org.

From the President

DEAR NSGA MEMBER:

Welcome to the 2011 version of the NSGA program and membership roster. We look forward to an exciting and joyful year.

As indicated in my earlier President's letter, we always need new members. Being a senior organization, we lose a few each year. Please help the organization's continued growth by seeking out and signing up new members. This should be somewhat easier now that the minimum age requirement has been lowered to 50.

As usual, we have some great courses for this season. We recommend you get your entries in early for the events in which you wish to play. Please note that three events are scheduled for Tuesday this year and one starts at 9:00. We would like to keep them all the same day of the week and same time, but holidays and club management sometimes preclude that. Thank Tournament Director "Skip" Semin for lining up these outstanding courses for us.

The Nebraska Golf Association will again assist Tournament Director, Mick Shonsey, in getting the events set up and keeping the website up to date. Their help is greatly appreciated. Please keep this in mind as they ask for volunteers to help with some of their functions. Be sure to check the website schedule of events to ensure your team is included in the ones for which you signed up. If you do not find your team listed, contact Mick Shonsey prior to the event to confirm you are in, or to determine the reason you are not listed.

This is your organization. We want you to be a part of and to enjoy it. If you desire to be a board member, or have any suggestions for the betterment of the organization, please contact me or another board member to voice desires or concerns.

Please note the dates for the State Event to be held at Oak Hills Country Club in Omaha on August 29 and 30. We certainly encourage you to sign up.

Finally, we want to thank Ron Purdy for his undying dedication to the NSGA as its Secretary/Treasurer for the last 19 years. Great job, Ron!

Thanks for being a member and we look forward to seeing you at our events.

Sincerely,

Randy Daehling, President

NSGA STATE TOURNAMENT

AUG 29 & 30 MONDAY & TUESDAY OAK HILLS CC OMAHA

Entry forms for all the above events, May 2 through August 22, are in the back of this booklet or available on the internet at the NSGA website. Information on the NSGA State Tournament will be mailed or made available on the website in June.

Nebraska Senior Golf Association

The Nebraska Senior Golf Association (NSGA) is a non-profit, charitable organization. All officers and board members serve as volunteers and your cooperation is appreciated. Annually we donate \$1500 to the Nebraska Golf Association (NGA) to promote junior golf. The board of directors has established the annual membership fee at \$25. Please advise anyone wishing to join to use the membership application found in this book or on the NSGA website. The only prerequisite for membership is that the individual must be 50 years old or older and have a GHIN number and an established handicap. Sixteen weekly golf events are scheduled for 2011, all two-man best ball tournaments using 90% of handicap. Entry forms for these events are in the back of this book and are also available on the website. Entry fees are required as indicated on the entry forms. Information on the NSGA State Tournament, to be held August 29 and 30 at the Oak Hills Country Club in Omaha, will be available in June. Ladies are welcome at all of our events. However, a luncheon ticket must be purchased. Your officers and directors wish you the best of luck and great golfing in 2011.

Murray Krambeer, Secretary/Treasurer

MURRAY KRAMBEER – COMMITTEE
GARY AUSTIN – COMMITTEE**

**INFORMATION WILL BE PROVIDED TO ALL
MEMBERS IN JUNE 2011**

2011 NSGA Tour Player/Team of the Year Point System

The NSGA is initiating the inaugural Player/Team of the Year point system this season, the goal being to reward the senior individual/team net and gross players for overall excellence in golf. To be eligible, participants must be NSGA members. Forms of this program have been well received in other state senior associations throughout the country. We plan to bestow this honor at the Annual NGA Awards Banquet held October 28, 2011. We join the NGA, NWAGA and Nebraska Juniors in honoring their participants by having this specific recognition for NSGA members.

Points will be awarded in four categories: (1) individual low gross; (2) individual low net; (3) team low gross; and (4) team low net. You can accumulate individual points even if you have several partners throughout the season. For team play you will earn points only with your partner from each particular event. For example, Smith plays with Jones on week 1, Smith plays with Johnson on week 2, and each team is entered in the annual competition as Smith/Jones and Smith/Johnson. As the season progresses, when the Smith/Jones team competes together their points will accumulate, as will the Smith/Johnson team points.

This year is the first attempt for this program. We don't expect problems with the system, but we anticipate plenty of discussion and welcome your inputs for following years. If you would like to be on the committee for the 2012 season, please contact a board member.

The proposed point breakdown is on the following page:

<u>Regular Tour Events</u>	<u>Major Events (3)</u>	<u>USGA Sen Am Qual</u>
1 st Place = 50 points	1 st Place = 250 points	Medalist = 50 points
2 nd Place = 45	2 nd Place = 150	Qualifier = 25
3 rd Place = 40	3 rd Place = 100	Alternate = 15
4 th Place = 35	4 th Place = 75	National Site
5 th Place = 30	5 th Place = 70	Match Play Qual = 50
6 th Place = 25	6 th Place = 65	Win Match One = 75
7 th Place = 20	7 th Place = 60	Win Match Two = 125
8 th Place = 15	8 th Place = 55	Quarterfinalist = 200
9 th Place = 10	9 th Place = 50	Semifinalist = 300
10 th Place = 5	10 th -15 th Place = 45	Runner-up = 400
		Champion = 500

The three major events are the Nebraska Senior Amateur Championship, Nebraska Senior Match Play Championship and the NSGA State Championship.

We hope the point system competition will increase participation, interest, discussion, camaraderie and excitement during the year. We intend to have updated standings at the luncheons following each tour event and, of course, they will be updated on the website, where the complete point system format will be available.

APPLICATION FOR MEMBERSHIP

The Nebraska Senior Golf Association

6618 South 118th Street
Omaha NE 68137

I, _____, of _____,
Nebraska, do hereby apply for Membership in the Nebraska Senior Golf
Association for a Membership Fee of \$25.00. Membership is limited to men 50
years old and older. I understand that membership in this organization must be
approved by the Association.

Recommended by NSGA Member (For new members only)

PLEASE NOTE: To help reduce association expenditures, the Board is
contemplating providing more correspondence via email for those of you having
that capability. This would save several hundred dollars a year in printing and
mailing expenses and is a much more expeditious method of communication. We
realize some of you still prefer mailings and these will continue if you so desire,
based on your selection below. For those choosing email, once finalized, the
“Schedule of Events and Membership” booklet, including coupons for event
signups, will be sent via email and will also be available on the website in PDF
format.

_____ Please send my NSGA correspondence via email

_____ I prefer to continue to receive my correspondence via U.S. Mail

NSGA IMPORTANT NOTICE

The number of players allowed in each event will be limited to 128. This will help complete play in a reasonable time **IF** everyone keeps up with the group ahead. With this many people there will be occasional hold-ups, but try to keep up! Slow play is the biggest complaint we get from participants!

A ten-day sign-up period, commencing the day booklets are mailed or made available on the website, will allow members to get their entries submitted. A drawing will take place on Tuesday, April 12, 2011. All entries received within those ten days will be separated by event. A lottery-type drawing will be conducted for events with more than 64 entries to determine the field. Up to ten more teams will be drawn for a standby list.

When the 64 teams are finalized, they will be posted on the NSGA website, along with a list of standby teams.

This is the only random drawing that will be held. All other events will be filled on a first come, first served basis.

Entries for events not full after the initial ten-day period will also be posted on the website and will be updated as other entries are received. A standby list will be posted when these events fill to 64 teams.

Those entries not drawn will be returned to one of the team members, along with the submitted check or a refund check from the NSGA. Please be patient. This may take a while, particularly if you're on the standby list. You may make it in later due to cancellations.

We strongly recommend players check the events on the website to ensure your team is listed if you think you are signed up for a certain event.

With the number of members we have, we obviously can't guarantee every team will get into every event they want to play, unless the team buys the "All Events Coupon". We feel these procedures provide the fairest way to get maximum participation and be fair to all members.

PLEASE NOTE (New This Year)

This year we are pairing several events together:

- Champions/Riverside
- Wilderness Ridge/York
- Lincoln CC/Yankee Hill

If you sign up for Champions AND Riverside, you are guaranteed a spot in Champions; if you sign up for Wilderness Ridge AND York, you are guaranteed a spot in Wilderness Ridge and if you sign up for Lincoln CC AND Yankee Hill, you are guaranteed a spot in Lincoln CC.

We are trying to promote participation at places that were **not full** last year. This does not mean you cannot sign up for these individually, just that if you really want to play Champions and are willing to also play Riverside for example, you know you will be in.

The last three coupons are designed to sign up for these combinations. Entry fee due with these coupons is \$280. Please use them if you want to take advantage of this opportunity.

CANCELLATION POLICY

1. **A \$25/player cancellation fee will be charged for all cancellations.**

In 2010 we had 205 cancellations. If you use your math skills for the scenarios below, you'll see there's a substantial penalty for canceling. Please be fairly certain you can play in the event, or have a good backup plan, when you sign up.

2. **If notice is given one week or more before the event, a full refund will be given, minus the \$25/player cancellation fee.**
3. **If notice is given four or more days before the event, 50% will be refunded.**
4. **If notice is given three days or less before the event, there will be no refund.**

DRESS CODE

Players must wear appropriate golf attire.

No tank top shirts, cut-off shorts, or jeans will be allowed.

Metal spiked golf shoes are prohibited in all NSGA events.

PLEASE READ AND COMPLY

ENTRY FORM INFORMATION LETTER

In filling out your entry forms, please comply with the following instructions:

1. Show your name EXACTLY as it is on your GHIN Handicap card.
2. All events are 2-man best ball using 90% of handicap. You must enter as a team. We award prizes for low gross and low net. If you are having trouble finding a partner, please contact Mick Shonsey, Tournament Director, at 402-659-2078 (cell), 402-330-4192 (home) or 402-238-1421 (office). He will try to find you a partner. We are trying to make it possible for all our members to play in our events, so please work with us!
3. Enter your GHIN number as shown on your GHIN card. We are asking for your preference of tees because some members, regardless of age, prefer to play from the back tees. Members 70 years and older may play from the senior tee boxes, as well as anyone else who requests them because of physical limitations. We now have your age in the database, so if the “age” and “tee” boxes are blank on your application, you will be assigned a tee according to your age. Players under 70 will play from the regular tees.
4. We will get your current handicap for each event from the USGA reports as supplied by the GHIN system. All members must have an active GHIN number and current handicap to enter NSGA events.
5. For further information, call Mick Shonsey, Tournament Director, whose phone numbers are listed in paragraph 2 above.
6. Individual GPS units are allowed in our events.
7. One single coupon is to sign up with the same partner for all events. The last three coupons are to sign up for the special combination events we’re trying this year.
8. Mail entry forms, along with entry fees to:

SANDBAGGING CONCERNS?

The handicap system is one of the great things about the game, because it enables players of all abilities to compete against one another on a level playing field. At least it's supposed to. But if you sit down in any grillroom, you'll hear complaints about players whose handicaps are, shall we say, a bit suspect.

The NSGA is doing its part to combat this problem by taking steps to strengthen its own Handicap Committee. The Handicap Committee, with your help, will act as a watchdog and have the power to step in, if necessary, and adjust a player's handicap index.

The most important safeguard against sandbagging is what the USGA calls "peer review." Peer review is the process of providing a reasonable and regular opportunity for members of a golf club to play golf with each other, and of providing access to scoring records and USGA Handicap Indexes for inspection by others. It's basically your obligation to note concerns and report them before they result in a net 59 or 60.

The NSGA recognizes that any player can have a great round. But when there's a pattern of low scores in tournaments, it raises a red flag. The nature of the handicap system, which is based on the best 10 of the previous 20 scores instead of a player's average score, militates against low net numbers. This means that even rounds in which the player "merely" shoots to his Course Handicap (i.e., his net score matches the Course Rating) is actually a strong showing, because that should happen in roughly only one of every four rounds. A net score of three strokes below the Course Rating is a once-a-year occurrence for most players with honest handicaps, while a net score in the low 60s is a once-in-a-lifetime thing, if you're lucky.

Still, without peer review and the power of the Handicap Committee, the system alone can't stop a determined sandbagger. The human element is important. Virtually all sandbagging falls into one of three categories. The simplest way to sandbag is by "forgetting" to post all your scores. A more nefarious method is for a player to post a score higher than he actually shot. A third way can be much more subtle, under the heading of manipulating the round.

Ignorance of the system is unacceptable. The sad fact about sandbagging is that its existence spoils some of the fun of competition for the vast majority of golfers with honest handicaps, whether they win or lose. That's why the NSGA wants your help to really do something about sandbagging.

Begin by posting all your scores using Equitable Stroke Control (ESC) which sets a maximum score you can take on any hole, based on your handicap (e.g., a 7 for a 10-19 Course Handicap). Next, practice peer review. If you want to review a player's scoring record you can do so on the web in the comfort of your home at www.ghin.com. Finally, we encourage you to contact the Handicap Committee if you think there might be a problem.

Let's work together under the guidelines of the USGA Handicap System to make NSGA competitions as fair and equitable as possible.

ATTENTION SENIOR GOLFERS:

THE NEBRASKA GOLF ASSOCIATION NOW HAS TWO STATE CHAMPIONSHIPS FOR GOLFERS FIFTY & OLDER

Inaugural Nebraska Senior Match Play Championship

We're very pleased to present our newest competition—the Nebraska Senior Match Play Championship. This event is scheduled August 15-17 at the Pines Country Club in Valley and will offer multiple flights for all skill levels.

During the entry process golfers will be required to select one of two divisions—gross or net. The gross division will compete in a stroke-play qualifier to determine flights and seeds for the match play portion beginning on day two. The net division will be pre-flighted based on USGA Handicap Index and play net matches within their flight. Net flights only will offer consolation brackets so all golfers are guaranteed two rounds of competitive golf in addition to the other perks golfers receive with their entry fee.

13th Nebraska Senior Amateur Championship

The 2011 Nebraska Senior Amateur Championship will be held at Woodland Hills Golf Course in Eagle May 16-17 and offers 36-holes of stroke-play competition with gross and net prizes in three age divisions (50-57, 58-64 and 65+).

Each age division is assigned to a separate set of tees. Those golfers 58 and older that want to compete for the overall Senior Amateur title may do so by playing from the championship tees. These golfers remain eligible for both gross and net prizes within their respective age divisions. In addition, golfers 50-64 have the option of competing for net prizes only. They will be moved up to the forward tees and are ineligible for any gross prizes.

For entry information or complete details on either of these championships please visit the competitions section of the NGA web site at www.nebgolf.org or contact the NGA office at (402) 505-4653.
