

**Nebraska Golf Association
Girls' Point Evaluation System**

To be used in determining exemptions and selecting the NWAGA Girl's Four-State Team, NGA Junior All-Star Team, and the Nebraska Girls' Amateur Golfer of the Year.

Part One – Written Portion

The purpose of the Nebraska Golf Association (NGA) junior point evaluation system is to establish objective criteria by which the NGA Junior Committee can judge the performance of girls junior golfers who participate in state and/or national tournaments beginning **after March 31 and conclude prior to October 16.**

Tournament Participation Limit

In order to prevent unfair advantages of one player over others, simply by playing in more tournaments, each player will only be allocated points based on her best six tournament finishes. At least one of the player's six point finishes must be from a Nebraska Golf Association Championship.

Tournaments included in the NGA Girls' Point Evaluation are limited to those events listed on pages 2, 3 & 4. Each is pre-assigned a point level.

Girls' Four-State Team

The selection of the annual 6-woman Nebraska Girls' Four-State Team will be based upon the previous year's NGA Girls' Point Standings with the addition of the points for that year's NSAA Girls' Golf Championships. Eligible golfers ranked in the top four will qualify for the team. The Nebraska Women's Amateur Golf Association Board of Directors has granted the NWAGA Junior Committee the right to select the remainder of the team, including replacements for qualifiers as late as two weeks prior to the Girls' Four-State Competition.

NGA Junior All-Star Teams and Girls' Golfer of the Year Award

The selection of the five girls to the annual NGA Junior All-Star Team and the NGA Girls' Golfer of the Year award will be based upon NGA Girls' Point Standings published October 15. The player must play in at least one of the NGA's championships to be eligible for these postseason awards.

For tournaments with multiple age divisions, points are awarded only to the oldest age division, unless other divisions play the same yardage, in which case the results are combined.

Ties: Points are awarded for ties by averaging the number of points for the spots occupied (i.e. 5 competitors tie for 5th place = point allocations for places 5-9 are totaled and the competitors share those points equally)

NOTE: Though 45 spots are listed at each level, points are only guaranteed for the spots specified in parentheses next to each tournament on Page 2.
