NOTICE REGARDING COVID-19

In order to conduct USGA qualifiers and championships in a safe manner for all players and staff, the USGA, the Allied Golf Associations, and any other golf associations reserve the right to institute COVID-19 protocols. Such COVID-19 protocols may be instituted in accordance with CDC guidelines, including but not limited to testing prior to arrival and/or on-site, for any specific qualifier and/or the championship. Failure to comply with such COVID-19 protocols may result in the withdrawal of the players' entry and removal from the course.

Adherence to any COVID-19 protocols is a condition of competition for all players. Players may be prohibited from participating in a qualifier or USGA championship if they test positive for COVID-19 or exhibit COVID-19 symptoms. Players who are unable to participate in a qualifier or USGA championship due to COVID-19 will receive 75% of the entry fee.

ELIGIBILITY

Entries are open to professional golfers, amateur golfers, and applicants for reinstatement. Amateurs and applicants for reinstatement must have an up-to-date Handicap Index® based on ratings for men not exceeding 1.4 under the Rules of Handicapping. A current Handicap ID number (GHIN) issued through an authorized golf club is required and must be submitted on the entry form. The USGA accepts an up-to-date Handicap Index issued from authorized national and regional associations around the world, that would be equivalent to a Handicap Index within the prescribed limit for entry into the Championship. For this Championship, any reference to gender applies to all genders.

Age: Player's date of birth is required on all USGA entry forms.

An application for a player who is a minor must be submitted by a parent/guardian, and must list the parent/guardian's name, phone numbers, and e-mail address. We cannot accept a phone number or email address of any minor. A player is deemed a minor based upon the date of submission and the laws of the state in which they reside (e.g. if a player is a New Jersey resident, the player is a minor if under the age of 18 at the time of submission). The parent/guardian agrees to be bound by all the terms and conditions on their own behalf and on behalf of the minor player. The USGA reserves the right to require submission of an original signature of the parent/guardian in a confirmation copy of the application upon notification by the USGA to the parent/guardian.

Amateur Status: All amateur players must conform to the Rules of Amateur Status as approved by the United States Golf Association and The R&A.

Anti-Doping Policy: Important information regarding the USGA Anti-Doping Policy and drug testing at the Championship proper may be found at <https://champ-admin.usga.org/player/articles/Anti-Doping>.

Code of Conduct: The USGA may reject an entry application, revoke an accepted application, expel from the Championship and/or suspend a player or caddie from any current or future championships if the player or caddie engages in conduct that is deemed abusive, derogatory, aggressive or detrimental to the integrity and image of the Championship, the game of golf and/or public confidence in the USGA. Such conduct may include, but is not limited to, damage to the golf course, club facilities or the player's equipment; verbal or physical abuse of spectators, officials, volunteers or staff; blatant or excessive profanity; disorderly behavior; conduct which is disruptive to competition; conduct which could result in an unfair advantage to a player or disadvantage to another player; failure to abide by club rules; violation of the USGA Championship Betting Policy or other championship policy or any other unbecoming conduct. The USGA Championship Betting Policy can be found at the USGA website, located at the following link: <https://champ-admin.usga.org/player/articles/usga-championship-betting-policy>.

Equipment Used for Medical Reasons: Players who wish to request permission to use a medical device due to a medical condition or injury and proceed under Rule 4.3b(1) of the Rules of Golf should refer to: <https://champ-admin.usga.org/player/articles/equipment-permitted-for-medical-reasons>.

Performance in Local Qualifying: If a player fails to return a score within eight strokes of the Course Rating™, future entries for a U.S. Open Championship may be declined if documentation is not provided demonstrating that the player is capable of competing at the national championship level. Please note that players who "no card" are subject to receive a letter from the USGA under the same guidelines as those who do not return a score within eight strokes of the Course Rating.

Withdrawal from Qualifying: Players can withdraw by logging into their account and clicking on the WITHDRAW tab. They must also notify the Official in Charge prior to their scheduled Qualifying round. Failure to do so may result in disqualification from future USGA competitions.

RULES OF GOLF; WHEN COMPETITION IS FINAL

Play will be governed by *The Rules of Golf* as approved by the United States Golf Association and R&A Rules Limited. Questions will be settled by the on-site Rules Committee, whose decision will be final. The competition is final when the trophy has been presented to the winner or, in the absence of a prize ceremony, when all scores have been approved by the Committee.

GOLF BALLS; DRIVER HEADS

Only brands of golf balls on the most current List of Conforming Golf Balls and driver heads on the most current List of Conforming Driver Heads may be used. Updated lists may be found on the USGA website at www.usga.org or by contacting the USGA Equipment Standards Department at (908) 234-2300.

At the Championship proper only, the one ball Rule (Model Local Rule G-4) as prescribed in Section 8 of the Committee Procedures is in effect.

CLUBS: GROOVES

Model Local Rule G-2 as prescribed in Section 8 of the Committee Procedures is in effect, except that the Exception in the Model Local Rule does not apply.

DISTANCE-MEASURING DEVICES

During both Local and Final Qualifying rounds, the use of electronic distance-measuring devices to measure distance is allowed (subject to certain requirements). However, during the Championship Proper Model Local Rule G-5 as prescribed in Section 8 of the Committee Procedures is in effect and prohibits the use of electronic distance-measuring devices.

PROHIBITION ON CERTAIN TYPES OF SHOES

Model Local Rule G-7 as prescribed in Section 8 of the Committee Procedures is in effect at Qualifying sites unless the Qualifying site is indicated by an asterisk on this entry application.

RESTRICTING USE OF GREEN-READING MATERIALS

At the Championship proper only, Model Local Rule G-11 as prescribed in Section 8 of the Committee Procedures is in effect.

CADDIES

Championship proper: A player may provide his own caddy. If he wishes to have a caddy provided to him by the host club, he must complete the information as outlined in the Memorandum to Players.

A player is not required to employ a caddy during the championship.

TRANSPORTATION/CART REQUESTS

The Local Rule prohibiting the use of motorized transportation as prescribed in Section 8 of the Committee Procedures is in effect, except at certain Qualifying sites as indicated on this entry application where the caddy only is permitted to use motorized transportation. Model Local Rule G-6.

As a general rule, players and their caddies must walk the course at USGA Championships and at most Qualifying rounds. But consistent with the Americans with Disabilities Act (ADA), a disabled player or caddy may be permitted to use a golf cart as an accommodation to his or her disability for those events where golf carts are not allowed. As required by the ADA, the USGA will evaluate such requests on a case-by-case basis.

In order for the USGA to properly evaluate the merits of such requests, while maintaining the fundamental fairness of the golf competition, it is necessary for players requesting this accommodation (whether submitted by the player, by the player for the player's caddy or by the parent/legal guardian of a minor player) to submit medical documentation to facilitate that analysis. The documentation provided must demonstrate: (1) a player's (or caddy's) disability as defined by the ADA; (2) the medical need for the golf cart that results from that disability; and (3) that by providing a golf cart to a player or caddy in that particular circumstance, the USGA would not be fundamentally altering the fairness of the competition by providing a player with an advantage over other players. The required form entitled **Golf Cart Request Form (as well as additional important information for first time and subsequent requests for a cart)** is available at the following link:

<https://champ-admin.usga.org/player/articles/Requesting-Golf-Cart>.

As between the USGA and me, the USGA shall own all right, title and interest, including the copyright(s), in and to any works created by the USGA, its licensees, successors and assigns, that include all or a portion of my Appearance. This grant shall be binding on my heirs, executors, administrators and assigns, and the successors and assigns of the USGA. I hereby waive all privacy, publicity, defamation, libel, and proprietary rights relating to the Appearance as used by the USGA in conjunction with these terms.

LOCAL & FINAL QUALIFYING

LOCATION

Players' preferences for both Local and Final Qualifying locations must be designated on the entry. Players must select three Final Qualifying sites in order to complete the entry process. It is possible that players may not receive their first choice of Final site and will be notified by the USGA of any change. Priority will be established by date entry was received. Locally exempt players will receive their first choice of Final Qualifying site provided the site has not been oversubscribed.

Qualifying sites may be canceled due to lack of participation. Local Qualifying sites are final after entries close. Please note that due to weather or other factors, a Qualifying location may need to be delayed or postponed one or more days, and players should be prepared to play on the posted rain date if necessary. Players who withdraw after 11:59 PM EDT two days prior to the qualifier will not receive a refund.

WAITLIST

When a Qualifying location has met capacity, players may sign up on a waitlist and select up to three Alternate Qualifying Sites.

Prior to the close of entries: If the original waitlist site becomes available, the player will be assigned to that site, charged the entry fee and receive a confirmation email.

At the close of entries: If the original waitlist site is full, the player will be assigned to their 1st Alternate Qualifying Site, dependent on availability. If the 1st Alternate Qualifying Site is full at the close of entries, the player will be assigned to their 2nd Alternate Qualifying Site, dependent on availability and so on. **If all Alternate Qualifying Sites are full at the close of entries, the application will be withdrawn.** Priority of each list will be based on the date of receipt of entry application. The fee to join a waitlist for a qualifying location is \$10 and is non-refundable. There are no waitlists for U.S. Open-Final qualifying locations.

TRANSFERRING

Players can transfer their Waitlist or Alternate Qualifying Sites, or transfer into a qualifying site with availability prior to the close of entries by accessing the championship specific View Qualifying Sites pop out on the Apply to Play page > Upcoming Competitions/Transfer Sites Tab. Players are limited to two transfers per championship.

Players who applied to a Local Qualifying location and want to transfer to a Local waitlist site must withdraw their application by contacting the USGA Championship Administration Department at champs@usga.org prior to the close of entries. The full entry fee will be refunded. Once withdrawn, the player can re-apply to sign up on a Local waitlist site and also select up to three Alternate Qualifying Sites.

Transfer to another location will be permissible only as follows:

Local Qualifying Locations: Before 5:00 PM EDT on April 12, 2023.

Players wanting to transfer between Final Qualifying locations should note the following transfer deadlines:

May 5 at 5:00 PM EDT is the deadline to transfer into or out of the Final Qualifying location in England;

May 12 at 5:00 PM EDT is the deadline to transfer into or out of the Final Qualifying locations in Japan or Texas;

May 26 at 5:00 PM EDT is the deadline to transfer into or out of the Final Qualifying locations in California, Canada, Florida, Georgia, Maryland, New Jersey, North Carolina, Ohio, or Washington.

QUALIFIERS' PLACES; TIES; SUBSTITUTIONS

The number of qualifiers' places in each location will be determined by the USGA after entries close, based on size and strength of field.

A tie for the last qualifier's place, or an alternate's place will be decided immediately by a hole-by-hole play-off.

Alternates in order of qualifying scores will be allowed for qualifiers unable to compete in the next stage of the Championship. In the case of Final Qualifying rounds, the alternate must play in the location entered by the withdrawn player.

If a Qualifying location cannot fill its qualifiers' places for the next stage, or if an exempt player withdraws, the place made available will be reallocated to another location. A reallocation schedule will be prearranged by the USGA.

If a player withdraws before playing a stroke either in Final Qualifying or in the Championship proper, a substitution is allowed. Only the USGA may make such substitutions.

ACCEPTANCE OF PLACES; NOTICE OF WITHDRAWAL

On the day of Qualifying, every qualifier should inform the Official in Charge whether he will play in the next stage.

If a qualifier or an exempt player withdraws, he must notify the USGA (908-326-1950 or via e-mail at champs@usga.org) promptly in order to insure an alternate fair opportunity to play. Failure to comply may result in disqualification from future USGA competitions.

SCORE POSTING

The AGA will post Stroke Play scores for all competitors in the field who have a Handicap Index[®] issued by the USGA. It will be the player's responsibility to post scores for all other formats of play throughout the competition.

In formats of play where a player may not finish a hole (i.e. Match Play or Four-Ball), the player is responsible for recording their score for handicap purposes using the Most Likely Score (MLS) procedure. MLS on a hole includes: the number of strokes already taken, plus the number of strokes most likely required to complete the hole, plus any penalty strokes incurred on the hole.

If a Match is completed on or after the fourteenth hole but prior to the eighteenth hole, the player will record a score of net par for handicap purposes for any holes not played. If a Match is completed prior to the fourteenth hole, the player will post a nine-hole score for handicap purposes.

Players who have a Handicap Index from another authorized golf association should post their scores in accordance with the association's protocols.
